Maximum Marks-60

Date: 14/05/2025

Instructions

- I. Write your Roll Number on the top immediately on receipt of this question paper.
- II. Attempt five questions selecting one from each Unit. All questions carry equal marks.

Unit-I

(12 marks)

1. What is administrative law, and what are its core features? Offer a detailed definition of administrative law, emphasizing its scope and importance in regulating administrative actions.

OR

2. Explain the concept of delegated legislation and its role in administrative law. Evaluate its objectives, operational mechanisms, and the challenges it poses in maintaining accountability and legal compliance.

Unit-II

(12 marks)

3. Define the Rule of Law, outline its key principles, and critically evaluate the differences between Western and Chinese interpretations.

OR

4. Describe how Jeremy Waldron's article, *Separation of Powers in Thought and Practice* explores the philosophical and practical dimensions of the separation of powers doctrine in governance.

Unit- III

(12 marks)

5. What are the constitutional powers and responsibilities of state governments in a federal structure?

OR

6. Mention in details the power and functions of the Union government. How conflict arising out of administrative decision making between central and state government need to resolved.

Unit-IV

(12 marks)

7. What are the legal and non-legal options available to challenge or address administrative decisions?

OR

8. Write a critical analysis of the concept of "Standard of Review" in the context of judicial oversight of administrative actions.

Unit -V

(12 marks)

9. Critically analyze the evolution and impact of Global Administrative Law in shaping transnational governance and accountability.

OR

10. Discuss the key components of article written by Benedict Kingsbury, Nico Krisch, & Richard B. Stewart, *The Emergence of Global Administrative Law*.
