بسم الله الرحمن الرحيم
الحمد لله الذي هدانا لهذا
أذا جاء نصر الله والفتح
ورأيت الناس
يدخلون في دين الله أفواجا

[illegible]

This is a highly damaged and heavily stained manuscript page, likely from a Persian or Arabic text. The parchment is severely discolored, with large areas of brown, black, and red staining, particularly along the right edge and bottom. The text is written in a cursive script, possibly Nasta'liq, and is mostly illegible due to the damage. The visible text is arranged in several horizontal lines, with some words and phrases being more legible than others. The overall appearance is that of an ancient, well-used, and unfortunately preserved document.
