Lytton's literary manner + romantic outlook.

His philosophy is a belief in the Eighteenth century Reverence of Nature, when Nature is lovingly and faithfully + trustfully sought + becomes by the power of reason. Man must be obedient to Nature + not her slave.

Meredith died at Flint cottage Boxhill Surrey - 18.5.09. A grave in Westminster abbey was proposed, but this was not done. A memorial service was held in the Abbey, but the remains after Cremation were interred
